

Uxin Provides Updates on Payments Under Financing Transaction with NIO Capital

September 30, 2022

BEIJING, Sept. 30, 2022 (GLOBE NEWSWIRE) -- Uxin Limited ("Uxin" or the "Company") (Nasdaq: UXIN), a leading e-commerce platform for buying and selling used cars in China, today announced that NIO Capital has made further payments for its subscription of senior convertible preferred shares of the Company based on further agreed-upon schedules. As previously disclosed, the Company has entered into definitive agreements with an affiliate of NIO Capital in June 2022 for the subscription of 714,285,714 senior convertible preferred shares of the Company for an aggregate investment amount of US\$100 million, which will be paid in multiple installments. The same number of senior convertible preferred shares were issued on July 27, 2022 and the Company received the first installment in connection with the closing of the transaction.

About Uxin

Uxin is a leading e-commerce platform for buying and selling used cars in China. We offer high-quality and value-for-money vehicles as well as superior after-sales services through a reliable, one-stop, and hassle-free transaction experience. Under our omni-channel strategy, we are able to leverage our pioneering online platform to serve customers nationwide and establish market leadership in select regions through offline inspection and reconditioning centers. Leveraging our extensive industry data and continuous technology innovation throughout more than ten years of operation, we have established strong used car management and operation capabilities. We are committed to upholding our customer-centric approach and driving the healthy development of the used car industry.

Safe Harbor Statement

This press release contains statements that may constitute "forward-looking" statements which are made pursuant to the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "aims," "future," "intends," "plans," "believes," "estimates," "likely to," and similar statements. Statements that are not historical facts, including statements about Uxin's beliefs, plans, and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: the risk and uncertainties as to the timing of the entry into definitive agreements or consummation of the transactions; the risk that certain closing conditions of the transactions may not be satisfied on a timely basis, or at all; impact of the COVID-19 pandemic; Uxin's goal and strategies; its expansion plans and successful completion of certain financing transactions; its future business development, financial condition and results of operations; Uxin's expectations regarding demand for, and market acceptance of, its services; its ability to provide differentiated and superior customer experience, maintain and enhance customer trust in its platform, and assess and mitigate various risks, including credit; its expectations regarding maintaining and expanding its relationships with business partners, including financing partners; trends and competition in China's used car e-commerce industry; the laws and regulations relating to Uxin's industry; the general economic and business conditions; and assumptions underlying or related to any of the foregoing.
