(b) No Indemnifying Party shall be liable for any Loss consisting of punitive damages (except to the extent that such punitive damages are awarded to a third party against an Indemnified Party in connection with a Third Party Claim).

(c) The maximum aggregate amount of Losses that the Indemnified Parties will be entitled to recover pursuant to Section 7.1(a)(i) shall be limited to 100% of the aggregate Principal Amounts of all Purchasers. Notwithstanding the foregoing or anything else to the contrary contained herein, the limitations on indemnification set forth in this Agreement (including, without limitation, the limitations set forth in this Section 7.1) shall not apply to any claim based on fraud, willful misrepresentation or willful misconduct of the Indemnifying Party or its Subsidiaries or Affiliates.

### 7.2 Third Party Claims.

(a) If any third party shall notify an Indemnified Party in writing with respect to any matter involving a claim by such third party (a “Third Party Claim”) and such Indemnified Party believes such claim would give rise to a claim for indemnification against the Indemnifying Party under this Article 7, then the Indemnified Party shall promptly (i) notify the Indemnifying Party thereof in writing and (ii) transmit to the Indemnifying Party a written notice (“Claim Notice”) describing in reasonable detail the nature of the Third Party Claim, a copy of all papers served with respect to such claim (if any), and the basis of the Indemnified Party’s request for indemnification under this Agreement. The failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party of its obligations hereunder except to the extent that the Indemnifying Party shall have been materially prejudiced by such failure.

(b) Upon receipt of a Claim Notice with respect to a Third Party Claim, the Indemnifying Party shall have the right to assume the defense of any Third Party Claim by, within thirty (30) days of receipt of the Claim Notice, notifying the Indemnified Party in writing that the Indemnifying Party elects to assume the defense of such Third Party Claim and acknowledging to the Indemnified Party in writing that it would have an indemnity obligation for any Losses resulting from or arising out of such Third Party Claim as provided under this Article 7, and upon delivery of such notice and acknowledgement by the Indemnifying Party, the Indemnifying Party shall have the right to control and settle the proceeding, provided that, (i) any such settlement or compromise shall be permitted hereunder only with the written consent of the Indemnified Party which consent shall not be unreasonably withheld or delayed, and (ii) and the Indemnifying Party shall keep the Indemnified Party reasonably informed of the progress of such defense on a regular basis.

(c) If requested by the Indemnifying Party, the Indemnified Party shall, at the sole cost and expense of the Indemnifying Party, cooperate with the Indemnifying Party and its counsel in contesting any Third Party Claim which the Indemnifying Party elects to contest, including the making of any related counterclaim against the Person asserting the Third Party Claim or any cross complaint against any Person. The Indemnified Party shall have the right to receive copies of all pleadings, notices and communications with respect to any Third Party Claim for which indemnity is sought under this Agreement, other than any privileged communications between the Indemnifying Party and its counsel, and shall be entitled, at its sole cost and expense, to retain separate co-counsel and participate in, but not control, any defense or settlement (except for its consent required under Section 7.2(b) above) of any Third Party Claim assumed by the Indemnifying Party pursuant to Section 7.2(b).

(d) In the event of a Third Party Claim for which the Indemnifying Party elects not to assume the defense or fails to make such an election within thirty (30) days of the Claim Notice, the Indemnified Party may, at its option, defend, settle, compromise or pay such action or claim at the expense of the Indemnifying Party; provided that, any such settlement or compromise shall be permitted hereunder only with the written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed.

7.3 Other Claims. In the event any Indemnified Party should have a claim against the Indemnifying Party hereunder which does not involve a Third Party Claim, the Indemnified Party shall promptly transmit to the Indemnifying Party a written notice (the "Indemnity Notice") describing in reasonable detail the nature of the claim, the Indemnified Party's good faith estimate of the amount of Losses attributable to such claim and the basis of the Indemnified Party's request for indemnification under this Agreement; provided, that no failure, delay or deficiency in providing such notice shall constitute a waiver or otherwise modify the Indemnified Party's right to indemnity hereunder, except to the extent that the Indemnifying Party shall have been materially prejudiced by such failure, delay or deficiency. If the Indemnifying Party does not notify the Indemnified Party within thirty (30) days from its receipt of the Indemnity Notice that the Indemnifying Party disputes such claim, the Indemnifying Party shall be deemed to have accepted and agreed with such claim.

## SCHEDULE 4

### Registration Rights

#### 1. Applicability of Rights

The Purchasers shall be entitled to the following rights with respect to any potential public offering of the Company's Ordinary Shares in the United States and shall be entitled to reasonably analogous or equivalent rights with respect to any other offering of the Company's securities in any other jurisdiction in which the Company undertakes to publicly offer or list such securities for trading on a recognized securities exchange.

For the purposes of this Schedule, reference to registration of securities under the Securities Act and the Exchange Act shall be deemed to mean the equivalent registration in a jurisdiction other than the United States as designated by such Holders, it being understood and agreed that in each such event all references in this Schedule to the Securities Act, the Exchange Act and rules, forms of registration statements and registration of securities thereunder, and to U.S. law and the SEC, shall be deemed to refer to the equivalent statutes, rules, forms of registration statements, registration of securities and laws of and equivalent government authority in the applicable non-U.S. jurisdiction.

#### 2. Definitions

For purposes of this Schedule:

- (a) Registration. The terms "register," "registered," and "registration" refer to a registration effected by filing a registration statement which is in a form which complies with, and is declared effective by the SEC in accordance with, the Securities Act.
  - (b) Registrable Securities. The term "Registrable Securities" means: (1) any Ordinary Shares issued or issuable pursuant to conversion of any of the Preferred Shares (as defined under the Shareholders' Agreement), (2) any Ordinary Shares issued (or issuable upon the conversion or exercise of any warrant, right or other security which is issued) as a dividend or other distribution with respect to, or in exchange for or in replacement of, any of the Preferred Shares, (3) any Conversion Shares, (4) Ordinary Shares issued or issuable in respect of the Ordinary Shares or the Conversion Shares described in clause (1), (2) or (3) above upon any share split, share dividend, share combination or consolidation, recapitalization, reclassification or other similar event in relation to the Shares, and (5) any depositary receipts issued by an institutional depositary representing any of the foregoing. Notwithstanding the foregoing, "Registrable Securities" shall exclude any Registrable Securities sold by a Person in a transaction in which rights under this Schedule are not assigned or transferred in accordance with this Schedule, and any Registrable Securities which are sold in a registered public offering under the Securities Act or analogous statute of another jurisdiction, or sold pursuant to Rule 144 promulgated under the Securities Act or analogous rule of another jurisdiction.
  - (c) Registrable Securities Then Outstanding. The number of shares of "Registrable Securities then outstanding" shall mean the number of Ordinary Shares of the Company that are Registrable Securities and are then issued and outstanding or would be outstanding assuming full conversion of all the then outstanding securities, warrants or other rights which are, directly or indirectly, convertible, exercisable or exchangeable into or for Registrable Securities.
-

- (d) Holder. The term “Holder” means any Person owning or having the rights to acquire Registrable Securities or any permitted assign or transferee of record of such Registrable Securities to whom rights under this Schedule have been duly assigned or transferred.
- (e) Form F-3 or Form S-3. The term “Form F-3” or “Form S-3” means such respective form under the Securities Act (including Form S-3 or Form F-3, as appropriate) or any successor registration form under the Securities Act subsequently adopted by the SEC which permits inclusion or incorporation of substantial information by reference to other documents filed by the Company with the SEC.
- (f) Registration Expenses. The term “Registration Expenses” shall mean all expenses incurred by the Company in complying with Sections 3, 4 and 5 hereof, including, without limitation, all registration and filing fees, printing expenses, fees, and disbursements of counsel for the Company, and fees charged by share registrar and depository agent, reasonable fees and disbursements of one (1) special counsel for the Holders (if different from counsels to the Company), reasonable fees and disbursements for any special legal opinions as requested by the Company, the underwriters or their counsel, “blue sky” fees and expenses and the expense of any special audits incidental to or required by any such registration (but excluding the compensation of regular employees of the Company which shall be paid in any event by the Company).
- (g) Selling Expenses. The term “Selling Expenses” shall mean all underwriting discounts and selling commissions applicable to the sale of Registrable Securities pursuant to Sections 3, 4 or 5 hereof.

### 3. Demand Registration

- (a) Request by Holders. If the Company shall receive a written request from any Major Purchaser (or any of its successors, permitted assigns or transferees, each, an “Initiating Holder”) that the Company file a registration statement under the Securities Act (other than Form F-3 or Form S-3) covering the registration of all of the Registrable Securities of such requesting Major Purchaser pursuant to this Section 3, then the Company shall, within ten (10) Business Days of the receipt of such written request, give written notice of such request (the “Request Notice”) to all the Holders of the Registrable Securities, and use its best efforts to effect, as soon as practicable, the registration under the Securities Act of all the Registrable Securities that the Holders request to be registered and included in such registration (including the Initiating Holder(s)) by written notice given by such Holders to the Company within twenty (20) Business Days after receipt of the Request Notice.
-

- (b) Underwriting. If any Initiating Holder intends to distribute the Registrable Securities covered by its request by means of an underwriting, then it shall so advise the Company as a part of its request made pursuant to this Section 3 and the Company shall include such information in the Request Notice. In such event, the right of any Holder to include its Registrable Securities in such registration shall be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting (unless otherwise mutually agreed by a majority in interest of the Initiating Holder(s) and such Holder) to the extent provided herein. All Holders proposing to distribute their securities through such underwriting shall enter into an underwriting agreement in customary form with the managing underwriter or underwriters selected for such underwriting by the Holders of a majority of the Registrable Securities being registered and reasonably acceptable to the Company. Notwithstanding any other provision of this Section 3, if the underwriter(s) advise(s) the Company in writing that marketing factors require a limitation of the number of securities to be underwritten, then the Company shall so advise all Holders of Registrable Securities which would otherwise be registered and underwritten pursuant hereto, and the number of Registrable Securities that may be included in the underwriting shall be reduced as required by the underwriter(s) and allocated among the Holders of Registrable Securities on a pro rata basis according to the number of Registrable Securities then outstanding held by each Holder requesting registration (including the Initiating Holder(s)); provided, however, that the number of shares of Registrable Securities to be included in such underwriting and registration shall not be reduced unless all other securities are first entirely excluded from the underwriting and registration including, without limitation, all shares that are not Registrable Securities and are held by any other Person who is not a Holder, including, without limitation, any Person who is an employee, officer or director of the Company or any Subsidiary of the Company; provided further, that at least thirty percent (30%) of shares of Registrable Securities requested by the Holders to be included in such underwriting and registration shall be so included. If any Holder disapproves of the terms of any such underwriting, such Holder may elect to withdraw therefrom by written notice to the Company and the underwriter(s), delivered at least ten (10) Business Days prior to the effective date of the registration statement. Any Registrable Securities excluded or withdrawn from such underwriting shall be excluded and withdrawn from the registration.
- (c) Maximum Number of Demand Registrations. The Company shall not be obligated to effect (i) more than one (1) such demand registration requested by WP (or any of its successors, permitted assigns or transferees), (ii) more than one (1) such demand registration requested by TPG (or any of its successors, permitted assigns or transferees) and (iii) more than one (1) such demand registration requested by the Strategic Investor (or any of its successors, permitted assigns or transferees), in each case pursuant to this Section 3 (and without prejudice to their respective rights under the Shareholders' Agreement) that have been declared and order effective; provided that if the sale of all of the Registrable Securities sought to be included pursuant to this Section 3 is not consummated for any reason other than due to the action or inaction of the Holders including Registrable Securities in such Registration, such Registration shall not be deemed to constitute one of the Registration rights granted pursuant to this Section 3.
- (d) Deferral. Notwithstanding the foregoing, if the Company shall furnish to the Holders requesting registration pursuant to this Section 3, a certificate signed by the president or chief executive officer of the Company stating that in the good faith judgment of the Board, it would be materially detrimental to the Company and its Shareholders for such registration statement to be filed at such time, then the Company shall have the right to defer such filing for a period of not more than ninety (90) days after receipt of the request of the Initiating Holder(s); provided, however, that the Company may not utilize this right more than once in any twelve (12) month period; provided further, that the Company shall not register any other of its Shares during such twelve (12) month period. A demand right shall not be deemed to have been exercised until such deferred registration shall have been effected.
-

#### 4. Piggyback Registrations

Subject to the terms of this Schedule, if the Company proposes to register for its own account any of its equity securities in connection with a public offering of such securities, or if any demand registration of equity securities is requested by investors making investment in the Company subsequent to the issuance of the Notes, the Company shall notify all the Holders of the Registrable Securities in writing at least thirty (30) Business Days prior to filing any registration statement under the Securities Act for purposes of effecting a public offering of securities of the Company (including, but not limited to, registration statements relating to any primary or secondary offering of securities of the Company, but excluding registration statements relating to any registration under Section 3 or Section 5 of this Schedule or to any employee benefit plan or a corporate reorganization), and shall afford each such Holder an opportunity to include in such registration statement all or any part of the Registrable Securities then held by such Holder. Each Holder desiring to include in any such registration statement all or any part of the Registrable Securities held by it shall within twenty (20) Business Days after receipt of the above described notice from the Company, so notify the Company in writing, and in such notice shall inform the Company of the number of Registrable Securities such Holder wishes to include in such registration statement. If a Holder decides not to include all of its Registrable Securities in any registration statement thereafter filed by the Company or any subsequent investors, such Holder shall nevertheless continue to have the right to include any Registrable Securities in any subsequent registration statement or registration statements as may be filed by the Company or any subsequent investors with respect to offerings of its securities, all upon the terms and conditions set forth herein. No Shareholder of the Company shall be granted the piggyback registration right under this Section 4 that is superior to those of the Holders without prior written consent of Holders holding at least sixty percent (60%) of the Registrable Securities then outstanding.

- (a) Underwriting. If a registration statement under which the Company gives notice under this Section 4 is for an underwritten offering, then the Company shall so advise the Holders of the Registrable Securities. In such event, the right of any such Holder's Registrable Securities to be included in a registration pursuant to this Section 4 shall be conditioned upon such Holder's participation in such underwriting and the inclusion of such Holder's Registrable Securities in the underwriting to the extent provided herein. All the Holders proposing to distribute their Registrable Securities through such underwriting shall enter into an underwriting agreement in customary form with the managing underwriter or underwriters selected for such underwriting. Notwithstanding any other provision of this Schedule but subject to Section 12, if the managing underwriter(s) determine(s) in good faith that marketing factors require a limitation of the number of shares to be underwritten, then the managing underwriter(s) may exclude shares from the registration and the underwriting, and the number of shares that may be included in the registration and the underwriting shall be allocated, first, to the Company, second, to each of the Holders requesting inclusion of their Registrable Securities in such registration statement on a pro rata basis based on the total number of shares of Registrable Securities then held by each such Holder, and third, to holders of other securities of the Company; provided, however, that the right of the underwriter(s) to exclude shares (including the Registrable Securities) from the registration and underwriting as described above shall be restricted so that (i) the number of the Registrable Securities included in any such registration is not reduced below thirty percent (30%) of the aggregate number of shares of the Registrable Securities, on a pro rata basis, for which inclusion has been requested; and (ii) all shares that are not Registrable Securities and are held by any other Person who is not a Holder, including, without limitation, any Person who is an employee, officer or director of the Company (or any Subsidiary of the Company) shall first be excluded from such registration and underwriting before any Registrable Securities are so excluded. If any Holder disapproves of the terms of any such underwriting, such Holder may elect to withdraw therefrom by written notice to the Company and the underwriter(s), delivered at least ten (10) Business Days prior to the effective date of the registration statement. Any Registrable Securities excluded or withdrawn from such underwriting shall be excluded and withdrawn from the registration.
-

- (b) Not Demand Registration. Registration pursuant to this Section 4 shall not be deemed to be a demand registration as described in Section 3 above. There shall be no limit on the number of times the Holders may request registration of Registrable Securities under this Section 4.

5. Form F-3 or Form S-3 Registration

In case the Company shall receive from any Holder or Holders of any Registrable Securities then outstanding a written request or requests that the Company effect a registration on Form F-3 or Form S-3 for which the reasonably anticipated aggregate offering price to the public would exceed US\$500,000 and any related qualification or compliance with respect to all or a part of the Registrable Securities owned by such Holder or Holders, then the Company will:

- (a) Notice. Promptly give written notice of the proposed registration and the Holder's or Holders' request therefor, and any related qualification or compliance, to all other Holders of the Registrable Securities; and
- (b) Registration. As soon as practicable, effect such registration and all such qualifications and compliances as may be so requested and as would permit or facilitate the sale and distribution of all or such portion of such Holder's or Holders' Registrable Securities as are specified in such request, together with all or such portion of the Registrable Securities of any other Holder or Holders joining in such request as are specified in a written request given within twenty (20) Business Days after the Company provides the notice contemplated by Section 5(a); provided, however, that the Company shall not be obligated to effect any such registration, qualification or compliance pursuant to this Section 5:
- (i) if Form F-3 or Form S-3 is not available for such offering by the Holders;
  - (ii) if the Company shall furnish to the Holders a certificate signed by the president or chief executive officer of the Company stating that in the good faith judgment of the Board, it would be materially detrimental to the Company and its Shareholders for such Form F-3 or Form S-3 registration to be effected at such time, in which event the Company shall have the right to defer the filing of the Form F-3 or Form S-3 registration statement no more than once during any twelve (12) month period for a period of not more than sixty (60) days after receipt of the request of the Holder or Holders initiating such registration request pursuant to this Section 5; provided that the Company shall not register any of its other Shares during such sixty (60) day period. A registration right under Section 5 shall not be deemed to have been exercised until such deferred registration shall have been effected;
-

- (iii) if the Company has, within the twelve (12) month period preceding the date of such request, already effected two (2) Form F-3 or Form S-3 registrations pursuant to this Section 5; or
- (iv) in any particular jurisdiction in which the Company would be required to qualify to do business or to execute a general consent to service of process in effecting such registration, qualification or compliance.

Subject to the foregoing, the Company shall file a Form F-3 or Form S-3 registration statement covering the Registrable Securities and other securities so requested to be registered as soon as practicable after receipt of the request or requests of the Holders.

- (c) Not Demand Registration. Form F-3 or Form S-3 registrations shall not be deemed to be demand registrations as described in Section 3 above. Except as otherwise provided herein, there shall be no limit on the number of times the Holders may request registration of the Registrable Securities under this Section 5.
- (d) Underwriting. If the Holders of Registrable Securities requesting registration under this Section 5 intend to distribute the Registrable Securities covered by their request by means of an underwriting, the provisions of Section 3(b) shall apply to such registration.

#### 6. Expenses

All Registration Expenses incurred in connection with any registration pursuant to Section 3, 4 or 5 (but excluding the Selling Expenses) shall be borne by the Company. Each Holder participating in a registration pursuant to Section 3, 4 or 5 shall bear such Holder's proportionate share (based on the total number of shares sold in such registration other than for the account of the Company) of all the Selling Expenses, in connection with such offering by the Holders.

#### 7. Obligations of the Company

Whenever required to effect the registration of any Registrable Securities under this Schedule, the Company shall, as expeditiously as reasonably possible:

- (a) Registration Statement. Prepare and file with the SEC a registration statement with respect to such Registrable Securities and use its best efforts to cause such registration statement to become effective, and, upon the request of the Holders of a majority of the Registrable Securities registered thereunder, keep such registration statement effective for a period of up to ninety (90) days or, in the case of the Registrable Securities registered under Form F-3 or Form S-3 in accordance with Rule 415 under the Securities Act or a successor rule, until the distribution contemplated in the registration statement has been completed; provided, however, that (i) such ninety (90) day period shall be extended for a period of time equal to the period any Holder refrains from selling any securities included in such registration at the request of the underwriter(s), and (ii) in the case of any registration of the Registrable Securities on Form F-3 or Form S-3 which are intended to be offered on a continuous or delayed basis, such ninety (90) day period shall be extended, if necessary, to keep the registration statement effective until all such Registrable Securities are sold.
-

- (b) Amendments and Supplements. Prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement.
  - (c) Prospectuses. Furnish to the Holders such number of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of the Registrable Securities owned by them that are included in such registration.
  - (d) Blue Sky. Use its best efforts to register and qualify the securities covered by such registration statement under such other securities or “blue sky” laws of such jurisdictions as shall be reasonably requested by the Holders; provided that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions, unless the Company is already subject to service in such jurisdiction and except as may be required by the Securities Act.
  - (e) Underwriting. In the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement in usual and customary form, with the managing underwriter(s) of such offering.
  - (f) Notification. Notify each Holder of Registrable Securities covered by such registration statement at any time when a prospectus relating thereto is required to be delivered under the Securities Act of (i) the issuance of any stop order by the SEC in respect of such registration statement, or (ii) the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing.
  - (g) Opinion and Comfort Letter. Furnish, at the request of any Holder requesting registration of the Registrable Securities, on the date that such Registrable Securities are delivered to the underwriter(s) for sale, if such securities are being sold through underwriters, or, if such securities are not being sold through underwriters, on the date that the registration statement with respect to such securities becomes effective, (i) an opinion, dated as of such date, of the counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering and reasonably satisfactory to a majority in interest of the Holders requesting registration, addressed to the underwriters, if any, and to the Holders requesting registration of Registrable Securities and (ii) “comfort” letters dated as of (x) the effective date of the registration statement covering such Registrable Securities and (y) the closing date of the offering, from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering and reasonably satisfactory to a majority in interest of the Holders requesting registration, addressed to the underwriters, if any, and to the Holders requesting registration of Registrable Securities.
-

8. Furnish Information

It shall be a condition precedent to the obligations of the Company to take any action pursuant to Section 3, 4 or 5 that the selling Holders shall furnish to the Company such information regarding themselves, the Registrable Securities held by them and the intended method of disposition of such securities as shall be required to timely effect the registration of their Registrable Securities.

9. Indemnification

In the event any Registrable Securities are included in a registration statement under Section 3, 4 or 5:

- (a) By the Company. To the extent permitted by law, the Company will indemnify and hold harmless each Holder, its partners, officers, directors, legal counsel, any underwriter (as defined in the Securities Act) for such Holder and each Person, if any, who controls such Holder or underwriter within the meaning of the Securities Act or the Exchange Act, against any losses, claims, damages, or liabilities (joint or several) to which they may become subject under the Securities Act, the Exchange Act, or other United States federal or state law, insofar as such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (each, a "Violation"):
- (i) any untrue statement or alleged untrue statement of a material fact contained in such registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto;
  - (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading; or
  - (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any United States federal or state securities law, or any rule or regulation promulgated under the Securities Act, the Exchange Act, or any United States federal or state securities law in connection with the offering covered by such registration statement;

and the Company will reimburse each such Holder, its partner, officer, director, legal counsel, underwriter and controlling Person for any legal or other expenses reasonably incurred by them, as such expenses are incurred, in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 9(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld), nor shall the Company be liable in any such case for any such loss, claim, damage, liability or action to the extent (and only to the extent) that it arises out of or is based upon a Violation which occurs in reliance upon and in conformity with written information furnished to the Company expressly for use in connection with such registration by such Holder, partner, officer, director, legal counsel, underwriter or controlling Person of such Holder.

---

- (b) By Selling Holders. To the extent permitted by law, each selling Holder will, severally but not jointly, if the Registrable Securities held by such Holder are included in the securities as to which such registration qualifications or compliance is being effected, indemnify and hold harmless the Company, each of its directors, each of its officers who has signed the registration statement, each Person, if any, who controls the Company within the meaning of the Securities Act, any underwriter and any other Holder selling securities under such registration statement or any of such other Holder's partners, directors, officers, legal counsel or any Person who controls such Holder within the meaning of the Securities Act or the Exchange Act, against any losses, claims, damages or liabilities (joint or several) to which the Company or any such director, officer, legal counsel, controlling Person, underwriter or such other Holder, partner or director, officer or controlling Person of such other Holder may become subject under the Securities Act, the Exchange Act or other United States federal or state law, insofar as such losses, claims, damages or liabilities (or actions in respect thereto) arise out of or are based upon any Violation, in each case to the extent (and only to the extent) that such Violation occurs in reliance upon and in conformity with written information furnished by such Holder to the Company expressly for use in connection with such registration; and each such Holder will reimburse any legal or other expenses reasonably incurred by the Company or any such director, officer, controlling Person, underwriter or other Holder, partner, officer, director or controlling Person of such other Holder in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 9(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of such Holder, which consent shall not be unreasonably withheld; and provided, further, that in no event shall any indemnity under this Section 9(b) exceed the net proceeds received by such Holder in the registered offering out of which the applicable Violation arises.
- (c) Notice. Promptly after receipt by an indemnified party under this Section 9 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 9, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties; provided, however, that an indemnified party shall have the right to retain its own counsel, with the fees and expenses to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential conflict of interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall relieve such indemnifying party of liability to the indemnified party under this Section 9 to the extent the indemnifying party is prejudiced as a result thereof, but the omission to so deliver written notice to the indemnifying party will not relieve it of any liability that it may have to any indemnified party otherwise than under this Section 9.
-

- (d) Contribution. In order to provide for just and equitable contribution to joint liability under the Securities Act in any case in which either (i) any indemnified party makes a claim for indemnification pursuant to this Section 9 but it is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or the denial of the last right of appeal) that such indemnification may not be enforced in such case notwithstanding the fact that this Section 9 provides for indemnification in such case, or (ii) contribution under the Securities Act may be required on the part of any indemnified party in circumstances for which indemnification is provided under this Section 9; then, and in each such case, the indemnified party and the indemnifying party will contribute to the aggregate losses, claims, damages or liabilities to which they may be subject (after contribution from others) in such proportion as is appropriate to reflect the relative fault of each of the indemnifying party and the indemnified party in connection with the statements, omissions, or other actions that resulted in such losses, claims, damages or liabilities, as well as to reflect any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by a court of law by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission; provided, however, that, in any such case: (A) no Holder will be required to contribute any amount in excess of the net proceeds to such Holder from the sale of all such Registrable Securities offered and sold by such Holder pursuant to such registration statement; and (B) no Person or entity guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any Person or entity who was not guilty of such fraudulent misrepresentation.
- (e) Survival; Consents to Judgments and Settlements. The obligations of the Company and Holders under this Section 9 shall survive the completion of any offering of Registrable Securities in a registration statement, regardless of the expiration of any statutes of limitation or extensions of such statutes. No indemnifying party, in the defense of any such claim or litigation, shall, except with the consent of each indemnified party, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

10. Termination of the Company's Obligations

The Company's obligations under Sections 3, 4 and 5 with respect to any Registrable Securities proposed to be sold by a Holder in a registration pursuant to Section 3, 4 or 5 shall terminate (i) on the fifth anniversary of the Closing, (ii) upon the termination, liquidation, dissolution of the Company, or (iii) if and when in the opinion of the counsel to the Company, all such Registrable Securities proposed to be sold by a Holder may then be sold without registration in any ninety (90) day period pursuant to Rule 144 promulgated under the Securities Act, provided that such counsel is qualified to and experienced in practicing U.S. securities regulations and the Company shall provide such opinion of its counsel to the Holder.

---

11. No Registration Rights to Third Parties

Without the prior written consent of the Holders of at least sixty percent (60%) of the Registrable Securities then outstanding, the Company covenants and agrees that it shall not grant, or cause or permit to be created, for the benefit of any Person any registration rights of any kind (whether similar to the demand, "piggyback" or Form F-3 or Form S-3 registration rights described in this Schedule, or otherwise) relating to any securities of the Company which are senior to, or on a parity with, those granted to the Holders of Registrable Securities. In any event, if the Company grants to any holder of the Company's security any registration right of any nature that are superior to the Holders, as determined in good faith by the Board, the Company shall grant such superior registration right to the Holders as well.

12. Rule 144 Reporting

CONVERTIBLE PROMISSORY NOTE

Date of Issuance: [    ], 2019

US\$[•]

FOR VALUE RECEIVED, and subject to the terms and conditions of this convertible promissory note (the “Note”), Uxin Limited, an exempted company with limited liability incorporated under the laws of the Cayman Islands (the “Company”), hereby promises to pay to the order of [•], a [company incorporated under the laws of [•]](the “Purchaser”), or its assigns, in lawful money of the United States of America the principal amount of [•]Dollars (US\$[•]) (the “Principal Amount”), plus accrued interest thereon, on [ ] (the “Maturity Date”), or such earlier date set forth in this Note, unless duly converted in full into the Conversion Shares pursuant to and in accordance with the terms and conditions set forth in this Note.

This Note is issued pursuant to the Convertible Note Purchase Agreement, dated May 29, 2019, by and among the Company, the Purchaser and the other parties thereto (the “Convertible Note Purchase Agreement”), and is subject to the terms and conditions thereof. In case of any conflict between this Note and the Convertible Note Purchase Agreement, the provisions of the Convertible Note Purchase Agreement shall control and govern. Capitalized terms used but not defined herein shall have the respective meanings given to such terms in Section 1 of the Convertible Note Purchase Agreement.

The following is a statement of the rights of the Purchaser and the conditions to which this Note is subject, and to which the Purchaser, by the acceptance of this Note, agrees:

1. Interest Rate. Subject to the provisions set forth under Section 6 of the Note, the Note shall bear interest on the outstanding Principal Amount at a simple interest rate of three point seven five percent (3.75%) per annum from the Closing Date until outstanding Principal Amount is fully repaid; provided that if any portion of the Principal Amount is duly converted into Conversion Shares pursuant to and in accordance with Section 4 of the Note, interest shall cease to accrue on the portion of the Principal Amount being converted. Accrued interest on the Note shall be computed on the basis of a 365-day year and actual days elapsed.

2. Repayment of the Note.

(a) Unless to the extent earlier converted into Conversion Shares pursuant to Section 4 of the Note, the outstanding Principal Amount and all accrued and unpaid interest in respect of the Note (including, for the avoidance of doubt, any interest accrued on any portion of the Principal Amount that has been converted pursuant to Section 6 of the Note prior to such conversion), in each case other than any portion of such Principal Amount or interest converted pursuant to Section 4 of the Note, shall be due and payable by the Company upon the earliest date (such earliest date, the “Due Date”) of: (i) the Maturity Date, (ii) if requested by the Purchaser in advance in writing, the date that is three (3) years after the Closing Date, and (iii) the occurrence of an Event of Default set forth in Section 5 of the Note and the written declaration of the Purchaser pursuant to (and subject to the conditions set forth in) Section 6.

(b) All amounts payable on or in respect of the Note or the indebtedness evidenced hereby shall be paid to the Purchaser in lawful money of the United States of America within three (3) Business Days after the Due Date. The Company shall make such payments of the unpaid Principal Amount, together with all accrued and unpaid interest in respect of the Note (including, for the avoidance of doubt, any interest accrued on any portion of the Principal Amount that has been converted pursuant to Section 6 of the Note prior to such conversion), in each case other than any portion of such Principal Amount or interest converted pursuant to Section 4 of the Note, to the Purchaser by wire transfer of immediately available funds for the account of the Purchaser as the Purchaser may designate from time to time and notify in writing to the Company at least five (5) Business Days prior to the payment date. Payment shall be credited first to accrued and unpaid interest in respect of the Note, and any remainder shall be applied to the outstanding Principal Amount.

(c) All payments of principal and interest in respect of the Note (including, for the avoidance of doubt, any interest accrued on any portion of the Principal Amount that has been converted pursuant to Section 6 of the Note prior to such conversion) by or on behalf of the Company shall be made free and clear of, and without withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the Cayman Islands or the PRC or any political subdivision thereof or any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law.

(d) Where such withholding or deduction is made by the Company by or within the PRC or the Cayman Islands, the Company will pay such additional amounts as will result in receipt by the Purchaser after such withholding or deduction of such amounts as would have been received by them had no such withholding or deduction been required. Any reference in this Note to Principal Amount or interest shall be deemed to include any additional amounts in respect of Principal Amount or interest (as the case may be) which may be payable under this Section 2(d) or any undertaking given in addition to or in substitution of this Section 2(d).

3. Seniority. The Note ranks senior in right of payment to any of the Company’s other indebtedness that is expressly subordinated in right of payment to the Note, *pari passu* in right of payment to any of the Company’s other unsecured indebtedness and liabilities that are not so subordinated, junior in right of payment to any of the Company’s secured indebtedness to the extent of the value of the assets securing such indebtedness, and structurally junior to all indebtedness and liabilities incurred by the Company’s Subsidiaries.

4. Conversion.

(a) Optional Conversion. At any time and from time to time during the period from and including the 181st day after the Closing Date to and including the Maturity Date, the Purchaser shall, by written notice to the Company, have the right but not the obligation to convert the outstanding Principal Amount, and/or, to the extent that Section 6 is applicable, any accrued and unpaid interest in respect of the Note (including, for the avoidance of doubt, any interest accrued on any portion of the Principal Amount that has been converted pursuant to Section 6 of the Note prior to such conversion), or any portion of such Principal Amount and/or interest, into Class A Ordinary Shares at the applicable Conversion Price. The number of the Conversion Shares to be issued upon any conversion pursuant to this Section 4(a) shall be equal to the quotient obtained by dividing the portion of the Principal Amount and, to the extent that Section 6 is applicable, the accrued and unpaid interest in respect of the Note subject to such conversion by the applicable Conversion Price.

(b) No Fractional Shares. Upon the conversion of the Note into the Conversion Shares, in lieu of any fractional shares to which the Purchaser would otherwise be entitled, the Company shall pay the holder of the Note cash equal to such fraction multiplied by the applicable Conversion Price.

(c) Mechanics of Conversion. In the event that the Purchaser has delivered to the Company a written notice in accordance with Section 4(a) of the Note specifying that the Purchaser irrevocably elects to convert the Note (whether in part or in full), the Company shall at its expense take all actions and execute all documents necessary to effect the issuance of all the Conversion Shares (including giving all necessary instructions to update the register of members to effect such issuance) within five (5) Business Days of delivery of the applicable written notice to convert, and deliver to the Purchaser, upon surrender of the Note, a certificate or certificates for the number of fully paid Conversion Shares issuable upon such conversion and the updated register of members of the Company indicating that the Purchaser is the holder of such Conversion Shares. The Company shall not be required to issue or deliver the Conversion Shares until the Purchaser has surrendered the Note to the Company.

(d) Adjustments to Conversion Price. The Conversion Price shall be adjusted according to the following items: When any of the Principal Amount or interest is outstanding at any time, (a) if the Company: (i) pays dividends in the form of securities or security equivalents of the Company; (ii) splits the outstanding securities of the Company in order to increase the number of shares; or (iii) incorporates outstanding securities of the Company (including in the form of a reverse share split) to decrease the number of shares, the Conversion Price shall be multiplied by a fraction, whose numerator is the number of outstanding securities of the Company immediately before the occurrence of the matter, and whose denominator is the number of outstanding securities of the Company immediately after the occurrence of the matter; (b) if the Company issues Ordinary Shares to all or substantially all shareholders as a class by way of rights issue, or issue or grant to all or substantially all shareholders as a class, by way of rights issue, of options, warrants or other rights to subscribe for or purchase any Ordinary Shares, in each case at less than 95 per cent of the closing price of the ADSs divided by the ratio of ADS to share (the “Market Price Per Share”) on the last trading day preceding the date of the announcement of the terms of the issue or grant, the Conversion Price shall be multiplied by a fraction, whose numerator is the number of Ordinary Shares in issue immediately before such announcement plus the number of Ordinary Shares which the aggregate amount (if any) payable for the Ordinary Shares issued by way of rights issue or for the options or warrants or other rights issued or granted by way of rights issue and for the total number of Ordinary Shares comprised therein would subscribe, purchase or otherwise acquire at Market Price Per Share, and the denominator is the number of Ordinary Shares in issue immediately before such announcement plus the aggregate number of Ordinary Shares issued or, as the case may be, comprised in the issue or grant, or (c) if the Company makes (or fixes a record date for the determination of holders of Ordinary Shares entitled to receive) a dividend or other distribution to the holders of Ordinary Shares payable in any other asset or property (including cash, but excluding dividends by securities or security equivalents of the Company), then, and in each such event, provision shall be made so that, upon conversion of the Note thereafter, the Purchaser shall receive, in addition to the number of Ordinary Shares issuable thereon, such other asset or property which the holder of such Ordinary Shares would have received in connection with such event had the outstanding Principal Amount and, to the extent that Section 6 is applicable, all the accrued and unpaid interest in respect of the Note (including, for the avoidance of doubt, any interest accrued on any portion of the Principal Amount that has been converted pursuant to Section 6 of the Note prior to such conversion) been converted into Ordinary Shares immediately prior to each such event, all subject to further adjustment as provided herein. Any adjustment made according to the aforesaid conditions shall come into effect immediately after the record date of deciding the shareholders having rights to obtain dividends or allocations and, for the purpose of any share split, incorporation or reclassification, shall come into effect immediately after such matters come into effect.

5. Events of Default. Each of the following events shall be considered an event of default (the “Event of Default”) with respect to the Note:

- (a) The Company acknowledges that prior to the Closing Date, the Board has adopted a matrix set forth on Schedule A hereto which provides for the allocation of the approval authorities and responsibilities between the Board and the management members of the Company (the “Approval Matrix”). Founder undertakes that, within the Initial Period, as long as (i) he remains as the Chief Executive Officer of the Company and (ii) the Investors hold in aggregate no less than 30% of the aggregate principal amount of the Notes they hold on the Closing Date (and if any Investor holds any Class A Ordinary Shares converted from the principal amounts of the Notes or ADSs representing such Class A Ordinary Shares, for purpose of this clause, such Investor shall be deemed to hold Notes to the extent of such converted principal amounts), the Founder shall, and the Founder shall cause the Company to, strictly follow the approval requirements as set forth in the Approval Matrix. Each Party agrees that within the Initial Period, as long as the Investors hold in aggregate no less than 30% of the aggregate principal amount of the Notes they hold on the Closing Date (and if any Investor holds any Class A Ordinary Shares converted from the principal amounts of the Notes or ADSs representing such Class A Ordinary Shares, for purpose of this clause, such Investor shall be deemed to hold Notes to the extent of such converted principal amounts), any waiver, amendment or modification to the Approval Matrix requires the written consent of the Requisite Holders to the extent such waiver, amendment or modification would adversely impact the rights of any Investor (including without limitation the right or opportunity of such Investor or its nominee to the Board to review or approve any corporate action of the Company or its Subsidiaries).
- (b) The Company acknowledges that prior to the Closing Date, the Board has established an executive committee of the Board consisting of the Founder Director and the Investor Directors (the “Executive Committee”) to oversee and decide any of the matters set forth on Schedule B hereto. Each Party agrees that during the Initial Period, for so long as the Investors hold in aggregate no less than 30% of the aggregate principal amount of the Notes they hold on the Closing Date (and if any Investor holds any Class A Ordinary Shares converted from the principal amounts of the Notes or ADSs representing such Class A Ordinary Shares, for purpose of this clause, such Investor shall be deemed to hold Notes to the extent of such converted principal amounts), the board shall maintain the Executive Committee which shall consist of the Founder Director and the Investor Directors, and change of the composition and authority of the Executive Committee shall require the written consent of the Requisite Holders. During the period that the Board is obligated to maintain the Executive Committee pursuant to the foregoing sentence, if the Founder or any Investor shall lose his or its right to nominate a Director under Section 2.1(a)(i), Section 2.1(a)(ii), Section 2.1(a)(iii) or Section 2.1(a)(iv), as applicable, pursuant to the proviso of Section 2.1(a), then in lieu of the Founder Director or the Investor Director nominated by such Founder or Investor, the Board will appoint another Director to serve as a member of the Executive Committee to the extent such change would adversely impact the rights of any Investor (including without limitation the right or opportunity of such Investor or its nominee who serves on the Executive Committee to review or approve any corporate action of the Company or its Subsidiaries).

Any Class B Ordinary Shares converted pursuant to Section 3.3(a) above shall be cancelled.
