Uxin Provides Update on the Restructuring of its VIE Structure

In order to streamline its corporate structure and considering the changing regulatory environment, Uxin Limited (the "Company" or "Uxin") has recently completed a restructuring process (the "Restructuring") to terminate the contractual arrangements with both of its variable interest entities (collectively, the "VIEs") which have become wholly owned subsidiaries of the Company. Pursuant to the Restructuring, the Company's wholly owned subsidiaries that have contractual arrangements with the VIEs and their respective shareholders have purchased all equity interests held by such shareholders in the VIEs. Accordingly, all contractual arrangements that enabled such shareholders to exercise effective control over the VIEs, receive substantially all of the economic benefits of the VIEs and have exclusive options to purchase all or part of the equity interests in the VIEs, were effectively terminated. As a result of the Restructuring, the VIEs have become wholly owned subsidiaries of the Company and the Company currently operates its business in China directly through its subsidiaries, rather than through any variable interest entity.
